

Free Proficient Pilot Seminar

You're invited to attend our upcoming free safety seminar and participate in the fun as we learn from an accomplished, highly respected aviator and designated pilot examiner, Dan Tannas. Mr. Tannas will be sharing about how to think like a professional pilot in order to not only be a safe pilot but to "impress" him and other examiners whenever you take a test!

Directions: This event will be held by Sweet Aviation in the terminal building at Smith Field Airport (KSMD) in Fort Wayne, Indiana.

A message from the National FAASTeam Manager
